Backcard: 22x29.5cm

EN The modular display offers a high-quality and well-organized presentation of charms. A magnet-attached back card with a detailed shoe illustration clearly showcases different styling options. The charms can be individually placed, exchanged, and recombined. For maximum flexibility at retail, the display is stackable – including the charms – allowing for tidy, space-saving storage when shelf space is limited.

DE Das modulare Display ermöglicht eine hochwertige und übersichtliche Präsentation von Charms. Eine magnetisch befestigte Rückkarte mit detailreicher Schuhillustration zeigt anschaulich verschiedene Styling-Möglichkeiten. Die Charms können individuell eingesetzt, ausgetauscht und neu kombiniert werden. Für maximale Flexibilität im Handel ist das Display stapelbar – inklusive Charms – und ermöglicht eine platzsparende, ordentliche Aufbewahrung bei begrenztem Regalplatz.

FR Le présentoir modulaire offre une présentation soignée et haut de gamme des charms. Une carte arrière fixée par aimant, avec une illustration détaillée de la chaussure, met en valeur différentes possibilités de style. Les charms peuvent être placés individuellement, échangés et recombinaés librement. Pour une flexibilité maximale en point de vente, le présentoir est empilable – charms inclus – permettant un rangement ordonné et peu encombrant lorsque l'espace en rayon est limité.

IT Il display modulare offre una presentazione ordinata e di alta qualità dei charm. Una scheda posteriore fissata magneticamente, con un'illustrazione dettagliata della scarpa, mostra chiaramente diverse possibilità di styling. I charm possono essere posizionati individualmente, scambiati e combinati liberamente. Per la massima flessibilità nel punto vendita, il display è impilabile – charm inclusi – consentendo una soluzione di stoccaggio ordinata e salvaspazio quando lo spazio sugli scaffali è limitato.
